Frederico Azevedo is an award-winning garden and landscape designer known for his sustainable designs and detailed custom color palettes. Azevedo founded his firm, Unlimited Earth Care in 1993 and has since expanded the UEC Bridgehampton headquarters into the Garden Concept Store, which carries unique planters, outdoor furniture, and other garden accessories, and the Garden Market, which features a curated selection of native and well-adapted plants and flowers that are often used in Unlimited Earth Care designs. Azevedo studied landscape design in Brazil, England, and the U.S. and is an active member of the Association of Professional Landscape Designers, the American Horticultural Society, and the Horticultural Alliance of the Hamptons. Azevedo has participated as a designer in Holiday House Hamptons showcases since 2016. Frederico Azevedo's gardens and landscapes are carefully planned to thrive in the conditions of their specific environments, and sustainable practices ensure that plants and flowers are as healthy as they are beautiful. Known for his signature curving floral borders and intentional color palettes, Azevedo designs to enhance the experience of nature at home, balancing intentional spaces and moods with the natural beauty of healthy plants.
